

CREDIT/DEBIT CARD MANDATE
For persons applying in London

This mandate is for applicants wishing to pay their visa or citizenship application charge by credit/debit card. This mandate may also be used for persons wishing to purchase a migration booklet in hardcopy. You do not need to use this mandate if there is a section on the application form to enter your credit card details (not all application forms have a section for credit card information).

The visa application charges change every 6 months on 1 January and 1 July as a result of the biannual foreign exchange rate indexation. By signing this form, you are authorising us to deduct the applicable visa application charge as indicated on our website.
