

The Perth market has never been so buoyant!!

Our Clients currently have an unprecedented number of multi million dollar projects underway within the Iron-Ore, Alumina, Nickel and Gold industries all actively pursuing **YOUR** skills!

Hays Resources and Mining in Perth deal with the key clients in the Western Australian Mining Industry ranging from large international consultancies to small professional organisations giving us the ability to find you the job you are looking for.

We currently have vacancies for:

- **Mechanical Designers**
- **Electrical Designers**
- **Structural Designers**
- **Checkers**

Ideally your professional experience will include the use of Microstation and 3D packages such as PDS. These positions are contract roles for a minimum of 12 months and are paying **upwards of \$85 ph**

Make this the time you look at what Perth can offer! Combined with the relaxed Summer lifestyle of Perth this is the perfect chance to make the change and head West.

If you are interested in any of the above positions, please contact Aidan Foster (08) 9226 5766 or forward your resume to aidan.foster@hays.com.au

If you are not interested in these opportunities but would like to find out more about the Perth market and relaxed lifestyle, please get in touch. Similarly if you know any friends or colleagues who would be interested in these opportunities, please encourage them to contact me.

Look forward to hearing from you
