## **Service Technician**

- Permanent role
- Multinational manufacturer
- Company service vehicle

**ITW INDUSTRIAL PACKAGING AUSTRALIA PTY LTD**, a recognised leader in the supply of industrial packaging products, has an exciting opportunity for a highly motivated individual to join our Southern Region Service Team.

The successful candidate will be a Qualified Trades person with experience within a maintenance or servicing environment. Preference will be given to those candidates who have an electrical qualification.

As the successful applicant you will be responsible for conducting on-site servicing and repairs of packaging equipment and hand tools, including performing diagnostic checks and troubleshooting problems and faults. You will also be involved in the installation of equipment and providing training to customers.

This challenging and diverse role requires you to be able to work autonomously, be customer focused and have a pro-active approach to work.

In return not only will you be rewarded with an attractive salary package including a company vehicle, but an opportunity to join a multinational company that is a forerunner in its field.
