The regular session is 15 weeks in length, the summer session 8 weeks. Each lecture or laboratory hour is 55 minutes long. Definition of grade: A—superior, 4 quality points; B—good, 3 quality points; C—average, 2 quality points; D—pass, 1 quality point; F—failed, 0 quality points. Plus (+) and minus (-) are used when the course is repeated and passed on another course is substituted for it.
