# Wiring Rules AS/NZS 3000:2007

## Course Aim

This course provides the required skills to use and interpret the AS/NZS 3000:2007 Wiring Rules (including typical documents referring to the standard, and rules and conditions of supply authority), in order to apply for your Electrical Workers Registration.

**Duration** 40 hours (plus out of hours personal study time)

## Course Content

- Scope and Fundamental Safety Principles
- Selection and installation of switchgear and controlgear
- Selection and installation of wiring systems
- Installation of appliances and accessories
- Earthing arrangements and earthing conductors
- Testing and verification
- Requirements for special electrical installations or locations

## Pre-requisites

- Electrical Workers Registration (Australian Expired)
- Equivalent overseas Electrical licence
- Electrical Industry experience / personnel

## Students will need the following:

- Personal copy of Australian Standards; AS-NZS 3000:2007, AS/NZS 3012:2003 & AS-NZS 3008.1.1
- Personal copy of the ETSA Utilities - Service and Installation rules
- An electronic calculator (with square root function)
- Pen/pencil

**Structure** Theory and practical components with assessments

**Note:** Participants may be eligible for a rebate through the Construction Industry Training Board (CITB). To receive this rebate you must quote a current membership number on your enrolment form and meet CITB funding criteria.
