

SKILLED REGIONAL SPONSORED VISA SCHEME

SKILLS IN DEMAND LIST

To apply for State sponsorship under the Skilled Regional Sponsored Visa Scheme in Western Australia you must have an occupation that is listed on the Skills in Demand List. The Skills in Demand List identifies skills in demand in each of the nine non-metropolitan regions of the State.

Occupations are listed numerically according to their ASCO code, which is the Australian Standard Classification of Occupations code. They are grouped under the first four major occupational groups in the ASCO dictionary:

- Managers and Administrators
- Professionals
- Associate Professionals, and
- Tradespersons and related workers.

For each occupation the list shows:

- the name of the occupation
- the ASCO code for the occupation
- any specialist skill or condition required for the occupation
- the number of points for the occupation under the Skills Occupation List (SOL) points system
- whether the occupation is on the Migration Occupations in Demand List (MODL), and
- which region(s) of Western Australia the occupation is in demand.

Some occupations on the list will have an asterisk () next to the specialisation and another asterisk next to a region. This indicates that the specialisation is only required in that region but the occupation (without the specialisation or condition) maybe required in other regions.*
