

December 2010

Ref: **3432362093****THIS ADDRESS IS UNLICENSED.****YOUR DETAILS ARE BEING PASSED
TO OUR ENFORCEMENT OFFICERS.**

Dear Owner/Occupier,

We have contacted you before. However, there is still no TV Licence for this address.

It may be that you have just moved in. In this case, you should get in touch to let us know. If you have a TV Licence for your old address, we can transfer it to your new home. Or you may need to buy a new licence.

You can do either by visiting **www.tvlicensing.co.uk**.

If you watch or record television programmes as they are being shown on TV - on any device* - without a licence, you are breaking the law. If you're found doing so, you could be taken to court and fined up to £1,000.

I have now passed your address details to our enforcement officers. They will be visiting your area soon. So please be aware of the following:

- Our officers may call at your home any time during the day or evening or at the weekend
- They may be authorised to use special detection equipment on your home
- Every day we catch around 1,000 TV Licence evaders - you could be next

There is still time for you to avoid this enforcement visit. Just take action straight away - you can buy a licence in minutes at **www.tvlicensing.co.uk**.

If you don't watch or record TV at this address, please visit **www.tvlicensing.co.uk/noTV** or call the number over the page and we'll update our records.

If you have recently bought a TV Licence, thank you. You needn't respond to this letter.

Yours faithfully,
