

# Six kittens need a loving home

Born 1<sup>st</sup> September 2010

---

We are sorry to have to break up the wonderful gang of six gorgeous kittens, but it is time for these half Siamese boys and girls to go to their new homes! These kittens are full of fun and energy, a sheer joy to have around!

Twiglett & Tiger - These two have the most beautiful tabby makings, they sleep beside each other every evening and are best friends. They are like their mother in shape and very gentle.

Stripes & Patch - These two black & white kittens are the life and sole of the party and the most vocal. They are extraverts & always playing with the others.

Fluffy & Odball - One all black & one nearly all cream with two heart shaped markings. Both very loving like their mother!

Please give one of these gorgeous kittens a home
